EDUCATION AND PROFESSIONAL CAREERS:

Susan Samueli was born and raised in Los Angeles. She earned her bachelor's degree in Mathematics from UC Berkeley in 1972. From 1972 to 1985 she was with IBM Corporation, where she worked initially as a software programmer in the Federal Systems Division, Westlake Village, Calif., and then as a Systems Engineer in the National Marketing Division, Los Angeles, providing technical marketing and sales support for IBM's mid-range computer systems. In 1985 she left IBM and focused her energy on raising her children, at which time she developed a keen interest in integrative health care, studying in the areas of nutrition, homeopathy and Chinese herbs. Susan subsequently received a Ph.D. degree in nutrition from the American Holistic College of Nutrition in 1993 and a diploma in Homeopathy from the British Institute of Homeopathy in 1994.

Henry Samueli was born in Buffalo, N.Y. and grew up in Los Angeles. He earned his B.S., M.S. and Ph.D. degrees in Electrical Engineering from UCLA in 1975, 1976 and 1980, respectively. From 1980 to 1985 he was employed in various engineering and management positions in the Electronics and Technology Division of TRW, Inc., Redondo Beach, Calif., a military communications defense contractor now part of Northrop-Grumman. Since 1985 he has been a professor in the Electrical and Computer Engineering Department at UCLA, and since 2003 he has also served as a Distinguished Adjunct Professor in the Electrical Engineering and Computer Science Department at UC Irvine. In 1991 he co-founded Broadcom Corporation, a global leader in providing semiconductor solutions for wired and wireless communications. Henry took a leave of absence from UCLA in 1995 and joined Broadcom full-time as Chief Technology Officer (CTO). In 2016 Broadcom was acquired by Avago Technologies Limited and renamed Broadcom Inc. Henry retired as CTO of Broadcom in 2018 and now serves as Chairman of the Board.

SPORTS AND ENTERTAINMENT OWNERSHIP:

In 2003 Susan and Henry took over management of the Honda Center sports and entertainment venue in Anaheim, Calif. and in 2005 they purchased the Anaheim Ducks National Hockey League (NHL) franchise from the Walt Disney Company. In 2007 the Anaheim Ducks became the first California team ever to win the Stanley Cup championship. Henry is a member of the Executive Committee of the NHL Board of Governors. The Samueli's also own the San Diego Gulls American Hockey League (AHL) franchise, which serves as the Ducks' top minor-league affiliate in San Diego.

In 2020, the Samueli's announced their endeavor to create OCVIBE, a one-of-a-kind immersive district surrounding Honda Center. The $4 billion privately funded 100-acre development is designed as a sustainable community emphasizing walkability, health

and wellness, and lifestyle amenities near transit. OCVIBE will include a 6,000 capacity concert venue, 35 restaurants, 1,500 residential units with a commitment of 15% affordable housing units, 20 acres of public space with unique plazas and urban parks, two hotels, four parking structures and 1 million square feet of office space. Construction began in 2023 with two general parking garages opening in October 2025 and the first phase opening in 2026. In April 2025, the Samuelis announced Honda Center Encore, a $1 billion privately funded transformation that will reimagine the guest experience at the iconic arena. The comprehensive renovations will reimagine nearly all aspects of the venue, including a new five-story South Entrance, new escalators, a refresh of all food and beverage spaces, a new all-inclusive club, the debut of new opera box suites and full renovations of all existing luxury suites and four new entry plazas.

COMMUNITY SERVICE AND PHILANTHROPY:

The success of Broadcom has provided Susan and Henry the opportunity to support many worthwhile nonprofit organizations. After Broadcom went public in 1998 they created the Samueli Foundation, and to date they have gifted over $1 billion primarily in the areas of Science, Technology, Engineering and Mathematics (STEM) Education, Integrative Health, Youth Services, Social Justice, and Jewish Culture. In 2012 they joined the Giving Pledge, initiated by Warren Buffett and Bill and Melinda Gates, whose members pledge the majority of their wealth to philanthropy.

Susan serves on the Board of the Orangewood Children's Foundation, a leading provider of foster youth services in Orange County, Calif., and she is a member of the Board of Trustees of the Samueli Academy, an innovative public Charter High School in Santa Ana, Calif. that focuses on project-based STEM learning for community, underserved and foster youth. She also serves on the Advisory Board of the Susan Samueli Integrative Health Institute at UC Irvine which provides education, research and clinical care built around integrative practices and emphasizes whole-person healing and wellness. Henry serves on the Dean's Advisory Board of both the Henry Samueli School of Engineering and Applied Science at UCLA and the Henry Samueli School of Engineering at UC Irvine. Both Susan and Henry serve on the Advisory Board of the Susan & Henry Samueli College of Health Sciences at UC Irvine.

In 2019 they created Irvine Ice Foundation (IIF). IIF built and opened Great Park Ice in Irvine, Calif. which features four ice sheets, including FivePoint Arena that seats 2,500 spectators. The 280,000-square-foot complex offers a variety of ice sports including youth and adult hockey programs, figure skating, curling, broomball, sled hockey, public open skating and is the official practice facility for the Anaheim Ducks.

Schulman was the lead negotiator on behalf of the Samueli family in the acquisition of the Honda Center management agreement from the bankruptcy court and the City of Anaheim, and played the key role in extending the lease of AAM and acquiring various properties around Honda Center which formed OCVIBE.

He acts as liaison between the Samueli family and Honda Center management, and supervises all financial, legal, business and charitable decisions of the arena; as well as with the other partners of AAM and the City of Anaheim.

Schulman also represented the Samueli family in purchase negotiations with Disney for the Anaheim Ducks, and in qualifying the Samueli family for the purchase of the team with the NHL.

Schulman was involved with the family in changing the team name and logo, and forming the Anaheim Ducks Foundation. Schulman led the negotiation with the American Hockey League (AHL) in forming the new AHL Pacific Division along with four other NHL teams. He was the lead negotiator in purchasing the Norfolk AHL team and moving the team to San Diego. He also helped form the San Diego Gulls Foundation.

He is responsible for developing additional ice and inline rinks in the Orange County area and was instrumental in the purchase and development of several ice and inline rinks, including Great Park Ice and FivePoint Arena, and Irvine rinks, and KHS, Lakewood, Poway and Yorba Linda ice rinks. Schulman serves on the boards of AAM, ADHC, Anaheim Sports Holdings, Anaheim Ducks Foundation, San Diego Gulls Hockey Club and Samueli Foundation. He is also a current member of the board of the Telluride Ski and Golf Company.

After earning a bachelor's degree in Economics from University of California, Berkeley, Schulman went on to the University of Santa Clara Law School. In addition, Schulman studied economics for one year at University of Leeds in England.

Aaron Teats

Club President, Alternate Governor, Anaheim Ducks
Chief Executive Officer, San Diego Gulls

Aaron Teats serves as President of the Anaheim Ducks Hockey Club and Chief Executive Officer of the San Diego Gulls Hockey Club. Named to his current post in February 2022, Teats continues to have oversight of OC Sports and Entertainment's sports properties, which include the Ducks and San Diego Gulls. Teats also serves as an Alternate Governor for the Ducks on all NHL-related matters.

Now in his 31st season with the Ducks, Teats most recently served as Anaheim's President of Business Operations, where in addition to his leadership role with the Gulls and The Rinks, he led all ticket sales, premium seating, business intelligence, broadcasting, communications, community relations, entertainment, fan development, marketing, merchandising, publications/digital content and social networking.

He also spent six years as the club's Chief Marketing Officer, where he was integral in several business initiatives advancing the brand and financial impact of the Ducks in the community as well as the front office. He created the Ducks' internal merchandise division in 2014, which included the design and creation of the new Ducks Team Store, and a business intelligence division in 2017.

Teats oversees the club's broadcast agreements, and led the team's efforts to bring innovative television, streaming and audio broadcasts to Ducks fans. In 2024, he spearheaded partnerships with A Parent Media Co. Inc. (APMC) and KCOP-TV (Fox 11 Plus) to stream/televise all regional Ducks games free of charge to 100% of the team's regional market via stream (Victory+ via APMC) or traditional television (KCOP). In the fall of 2022, he oversaw the team's creation of Ducks Stream, a 24/7 audio network with the most comprehensive team-focused coverage in the NHL.

Teats has helped lead an organization recognized as a leader in charitable programming and community engagement. He also helped create programs benefitting public education, health and wellness, access to youth hockey, and grassroots marketing. Twice in recent years, Ducks were named a finalist for Sports Humanitarian Team of the Year by ESPN (both 2018 & 2019). The award "represents a sports club/team that demonstrates how teamwork can create a measurable impact on a community or cause." The club has also been continually recognized by ESPN The Magazine in its annual "Ultimate Standings" edition for successes both on and off the ice. The magazine has recognized the Ducks as a top franchise among 122 professional sports teams (NHL, NFL, MLB & NBA), ranking in the top eight three times.

Teats began his career within the broadcasting ranks in 1994. He served 11 years as both an Emmy Award-winning producer and director of the Ducks radio and television broadcasts before permanently transitioning to the business office in 2007.

During his Ducks tenure, Teats has spearheaded successful initiatives which led to organizational growth. He helped lead the launch of the John Wayne Airport Breakaway Bar and Grill (2011) and its move to a larger location in 2024, a Ducks-themed restaurant at Orange County's international airport. Teats was also instrumental in the celebration and honoring of Ducks legends Teemu Selanne (2015), Paul Kariya (2018) and Scott Niedermayer (2019), who each had their jerseys retired by the club. Kariya and Niedermayer's jersey retirements took place during the club's 25th Anniversary Season (2018-19), which was also led by Teats. He also oversaw the club's 2024 brand evolution launch with new logo, home and away jerseys.

Additionally, Teats is on the Advisory Council for Anaheim Boys & Girls Club after serving on the board of directors for the previous 13 years, and the Advisory Committee for Cal State Fullerton's "PRactical ADvantage" student-run advertising for the last three years. He is also on the Board of Directors for the newly formed OC Sports Commission.

Teats began his career for the then-California Angels in 1992. He received his bachelor's degree from Cal State Fullerton in 1992.

Aaron and his wife, Justine, currently reside in Anaheim Hills and have two sons: Nolan and Colin.

Pat Verbeek

GENERAL MANAGER

Pat Verbeek is in the midst of his fifth season as General Manager of the Anaheim Ducks. Named the sixth General Manager in Ducks history on Feb. 3, 2022, Verbeek oversees all aspects of the club's hockey operations.

Verbeek joined Anaheim with two Stanley Cups on his resume and 36 years of NHL experience, 16 as an executive and 20 as an NHL player. He won Stanley Cups as a player (1999) and Professional Scout (2008), and helped build foundational pieces of Tampa Bay's eventual back-to-back championship teams in 2020 and 2021.

Under his leadership, the Ducks hockey operations department added additional scouting and player development staff, implemented a full-scale performance department based on data and sports science, and grew the analytics staff focused on video scouting, research, development, data science and engineering.

Prior to his current role, Verbeek spent three seasons as Assistant General Manager of the Detroit Red Wings (2019-22) where he was involved in all hockey operations matters with a focus on player personnel decisions. Prior to the 2021-22 season, Verbeek was named General Manager of the Grand Rapids Griffins, Detroit's primary development affiliate in the American Hockey League (AHL). He also served as a Professional Scout for Detroit from 2006-10, serving on the Red Wings staff for the team's 2008 Stanley Cup championship.

Verbeek also spent nine seasons with the Tampa Bay Lightning as Assistant General Manager and Director of Player Personnel (2012-19), and Director of Professional Scouting (2010-12). Verbeek was responsible for oversight of the team's professional scouting operations, player recruitment, contract negotiations and overall support of the hockey operations department. During his tenure, the Lightning made an appearance in the 2015 Stanley Cup Final in addition to four Conference Finals (2015, 2018, 2020, 2021). A total of 17 Lightning players that won consecutive Stanley Cups in 2020 and 2021 were drafted, signed or acquired while Verbeek was an executive with the organization.

Verbeek also served as Director of Player Personnel for Team North America at the 2016 World Cup of Hockey and won a gold medal as part of Canada's management staff at the 2015 World Championship.

As a player, he won a Stanley Cup with Dallas in 1999 and appeared at two NHL All-Star Games (1991 and 1996) during a 20-year NHL career. Originally selected by the New Jersey Devils in the third round (43rd overall) of the 1982 NHL Draft, Verbeek scored 522-540=1,062 points and 2,905 penalty minutes in 1,424 NHL games with New Jersey (1982-89), the Hartford Whalers (1989-95), New York Rangers (1994-96), Dallas Stars (1996-99, 2001-02) and Red Wings (1999-01). He served as Hartford's captain for four seasons from 1991-95.

A native of Sarnia, Ontario, Verbeek represented Canada at several international tournaments as a player, including medals at the 1994 (gold) and 1989 (silver) World Championship. He also appeared at the 1996 World Cup of Hockey and 1983 World Junior Championship.

Pat and his wife Dianne have five children, including one son, Kyle, and four daughters: Stephanie, Kendall, Haley and Georgeanne.

Scott Niedermayer

Special Advisor to Hockey Operations

Scott Niedermayer is in his fifth season as Special Advisor to Hockey Operations after being named to his role Feb. 8, 2022. He rejoined the club after spending nine seasons in various roles within the club's hockey operations, including development coach (2015-19), assistant coach (2012-15) and team consultant (2010-12).

Niedermayer spent five seasons as a player with the Ducks from 2005-10, serving as the captain of the Stanley Cup championship team in 2007 when he won the Conn Smythe Trophy as playoff MVP. He scored 60-204=264 points in 371 regular-season games with Anaheim, and recorded 8-26=34 points in 56 playoff games. In 2006-07, he set the Ducks franchise record for most points (15-54=69) and assists by a defenseman in a single season.

In 18 NHL seasons with Anaheim and New Jersey, Niedermayer scored 172-568=740 points in 1,263 NHL games. He is a four-time Stanley Cup champion, winning one Cup with Anaheim (2007) and three with New Jersey (1995, 2000 and 2003). He is the 2004 James Norris Memorial Trophy winner, a three-time First Team All-Star (2004, 2006, 2007), six-time NHL All-Star (1998, 2001, 2004, 2007, 2008, 2009), and 1993 NHL All-Rookie Team member. His 13 regular-season overtime goals are the most by a defenseman in NHL history.

The first player in hockey history to have won a Stanley Cup, Olympic gold medal, World Championship, World Cup, Memorial Cup and World Junior Championship, Niedermayer is also the only player in hockey history to win four Stanley Cups and two Olympic gold medals.

Niedermayer helped lead Canada to gold medals at the 2002 and 2010 Olympic Winter Games, serving as captain in 2010. He won the 2004 World Championship, 2004 World Cup title and 1991 World Junior Championship. He also won the 1992 Memorial Cup with Kamloops of the Western Hockey League (WHL) and was named Memorial Cup MVP.

Niedermayer was inducted into the Hockey Hall of Fame on Nov. 11, 2013. His No. 27 was retired by the Ducks on Feb. 17, 2019 and also retired by the New Jersey Devils on Dec. 16, 2011. He became the eighth player in NHL history to have his number retired by two NHL teams.

In his role, Solomon oversees strategic budget planning in relation to the NHL's Collective Bargaining Agreement (CBA) and the salary cap, player contract negotiations, salary arbitration case preparation and management, and player evaluation and analytics. Solomon was named Interim General Manager of the Ducks Nov. 16, 2021 and served until Pat Verbeek was hired as General Manager Feb. 3, 2022.

Solomon earned a Juris Doctorate from the University of San Diego School of Law in 1983 following a bachelor's degree in Business Administration from Rutgers University in 1980. Solomon previously practiced law in California, specializing in tax and estate planning while also working as an international tax specialist and financial consultant.

Solomon has two children: Lexy and Drew. He resides in Rancho Mission Viejo.

OCVIBE is a reimagined downtown experience coming to Orange County. The $4-billion development project will transform 100 acres in downtown Anaheim into an easily accessible, walkable district where the excitement of sports, entertainment, and dining collide. An endeavor of the Samueli Family, OCVIBE will surround its anchor, Honda Center, the home of the Anaheim Ducks, with a full range of lifestyle and public amenities as well as new live entertainment venues.

This new epicenter of entertainment for Orange County will offer a new 5,700-capacity concert venue, 30+ food offerings, including six bars, a transformative mass timber office building with more office space to come, two new hotels, 2,500 residential apartment units, 20 acres of publicly accessible parks and plazas. There will also be over three miles of connected walkways and a network of pedestrian bridges, including a landmark bridge over Katella Avenue.

The proposed development will create more than 10,000 construction jobs, 3,000 ongoing jobs upon completion and is expected to generate more than $10 million annually in direct revenue for the city.

Being built in phases, the first two of four new parking garages surround-

ing Honda Center will open during the 2025-26 Ducks season, marking the first elements of the district to welcome the public. The new garages will increase capacity, improve traffic flow, and enhance the arrival experience for Ducks games and other arena events.

OCVIBE will surround Honda Center with four distinct plazas. To the west, the Urban Park will feature a digital waterfall, concert venue, and market hall. The South Plaza will showcase new dining, a hotel, and the return of the iconic Golden Bear club. The North Plaza will offer boutique entertainment creating a one-of-a-kind hospitality hub, while the East Plaza, framed by new roads Stanley Cup Way and River Road, will introduce terraced gardens for events. Beyond the plazas, nine acres of parks, including a five-acre riverfront park, will set the stage for concerts, festivals, and community gatherings.

With the first district projects coming online in 2026 and 2027, vertical progress has been significant. One of the structures that has begun to make visible progress towards its final form is The Weave, a new 168,000-square-foot building also known as Orange County's first mixed-use mass timber office building. The Weave will be a groundbreaking workplace designed with a focus on sustainability and wellness, featuring biophilic design that integrates natural elements into the built environment to foster a deeper connection to nature—aiming to boost well-being, reduce stress, and enhance productivity.

Intentionally designed to be for everyone. OCVIBE is a one-of-a-kind, immersive, technology-enabled entertainment district. Whether visitors come here to relax, dine, be entertained - or perhaps all the above and more - they're sure to find experiences that fit their mood as well as personalized touches that make getting around so easy.

THE NAME, LOGOS & COLORS

HOW IT ALL BEGAN

On Oct. 2, 1992, Walt Disney Pictures released the hit movie "The Mighty Ducks" and created a new wave of excitement among the nation's youth and the ice hockey community. Starring Emilio Estevez and a band of kids who learn to play and win as a team, "The Mighty Ducks" grossed $51 million at the box office and served as the inspiration for the name of the Walt Disney Company's NHL club.

The original official team colors and logo were unveiled June 7, 1993, and Mighty Ducks merchandise immediately propelled into one of the top sellers in all of professional sports.

Plum, jade, silver and white were chosen as the team's colors while an attractive crest featuring a duck head-shaped hockey mask was chosen to give the club its own unique identity. As a testament to the logo's popularity, the original Ducks jersey was named the "most fashionable" uniform in all of sports at the inaugural ESPY Awards in 1997.

2024 BRAND EVOLUTION

On June 26, 2024, the Ducks unveiled the club's new logo, home and away jerseys as part of a brand evolution featuring the classic and world-famous Ducks logo. Revolutionized by a vibrant transformation of the iconic duck mask with a refreshed twist now framed in vibrant orange as the bold primary color reflective of the team's home in Orange County.

A return to the pinnacle of '90s hockey fashion, a new, powerful identity at home and on the road are not just apparel; they are an emblem of the team's identity, embracing unexpected aggression that defines a path forward. Intended to align the club's history, ambition and vision, a simplified design with sharper angles, clean lines and sharp contrasts were inspired by the vibrant culture, colors and energy of Orange County, elevating orange for a bold impactful look present throughout the uniforms, including the pants, helmet, socks and gloves.

A dynamic, aggressive orange eye in the Duck mask with a fearless expression symbolizes the evolving primary mark, a revolution to be faster, more exciting and more aggressive than ever before, both on and off the ice. The eyebrow has a more rounded, aggressive curve, marking an on-ice tenacity the team has developed over its three decades of existence and reflective of the miles of powerful Pacific Ocean rock reef and beach-break waves that crash up and down the coast. Elegant gold accents complete the look within the logo, adorning a shimmer effect to give a glimmer of Orange County's iconic beaches.

Anaheim's primary home jersey blends the past with the present, a cohesive design both modern and timeless. Anchored at the center of the bold jersey lies the refreshed iconic mask framed by a bold orange base. Accented by horizontal waist stripes and chevron shapes on the sleeves is a contrast of black, white and gold stripes transitioning into a black sleeve cuff.

The Ducks' new away jerseys adorn a white base with bold, rounded orange throughout the shoulders. The accented horizontal waist stripes and chevron sleeves mimic the primary jersey with an orange sleeve cuff.

Both jerseys incorporate a bold new typeface and number palette modeled after Orange County's turn of the century art deco styling commonly used in the citrus industry at that time. A modernized number typography includes shading elements of orange, black, gold and white.

PRIMARY JERSEYS

The club's new look in 2024 will be the fourth set of primary jerseys since the Ducks' inception in 1993. Following the inaugural Mighty Ducks jerseys (1993-2006), a new era as the Anaheim Ducks with a typographic mark (2006-14) featured prior to the most recent iteration of the integration of the stylized "D" that echoed the image of a duck's foot (2014-24).

In the spring of 2005, Henry and Susan Samueli entered into an agreement with the Walt Disney Company to purchase the Ducks franchise. On June 22, 2006, a new

era began for the franchise as the team became officially known as the Anaheim Ducks. In addition, a new logo and color scheme were unveiled. A classic color palette of black and metallic gold was developed, with an accent of orange as a metaphorical link to the team's Orange County home.

The result was a strong, typographic mark anchored by a stylized "D" that echoed the image of a duck's foot or footprint. The custom typography had a powerful forward momentum and was made up of metallic gold letters with orange drop-shadows and a black holding shape. The uniforms were an evolution of the earlier sweater design but with gold, white and orange sweeping stripes influenced by the curves of the "D" in the Ducks logo. Set with a new look for the 2006-07 season, the Ducks made history and won the Stanley Cup.

Beginning with the 2014-15 season, the club's 2010-14 black third jersey was transformed into the new primary sweater. A white "road" version of the jersey was added in 2014-15. Both versions of the jersey now incorporate white laces and permanent integration with the "D" on both sweaters.

THIRD JERSEYS

The Ducks have worn eight alternate looks in club history. The original Third Jersey began with a cartoon Duck breaking through a sheet of ice in 1995-96. The next iteration of a Third Jersey from 1997-2000 saw a white home jersey sporting the Mighty Ducks crest accompanied by jade, plum and silver stripes covering the sleeves and shoulders. The 1997-98 season also introduced a "fourth" sweater of the same striping style but with a green sweater base through the 1999-00 campaign. The club moved to a more classic approach with its next sweater, using black with dark plum, silver and white accenting as its color palette for the alternate jersey with an "Anaheim" script across the chest worn during the 2003-04 and 2005-06 seasons.

The fifth alternate jersey made its initial appearance Oct. 16, 2015 and featured the original Mighty Ducks logo set on an orange jersey accented with gold, black and white trim. The jersey was reintroduced on Oct. 5, 2019 through 2022-23 following appearances from 2015-17.

Anaheim's third jersey in 2018-19 (25th anniversary season) featured the original Mighty Ducks crest with eggplant and jade striping from the Ducks iconic look of the team's inaugural 1993-94 season. The sweater incorporated orange in the crossed hockey sticks of the team's original mark and featured silver as a primary accent color, paying tribute to the team's 25th anniversary season in 2018-19.

In 2020-21, the seventh alternate jersey made its debut as part of the adidas and NHL's Reverse Retro collection. Anchored in white with eggplant and jade stripping, the Ducks Reverse Retro jersey features the design from the team's iconic "Breakout" Jersey worn during the 1995-96 season. The Reverse Retro collection returned in 2022-23, with the bold jersey design finds its inspiration in the Ducks inaugural season uniform, remixed in today's team colorway.

The 2023-24 saw the 30th anniversary honor the club's history with the jersey anchored in plum and jade as an ode to the original 1993-94 season road jersey. At the heart of the jersey, a mark familiar to most, took center stage with a crest featuring the original circular "Mighty Ducks" shoulder patch with Wild Wing.

STADIUM SERIES

The Anaheim Ducks and Los Angeles Kings wore specially designed jerseys and uniforms for the 2014 Coors Light NHL Stadium Series™ contest at Dodger Stadium Jan. 25, 2014. Anaheim's first-ever orange jersey featured a chrome-treated "D" logo, unique to the 2014 Coors Light NHL Stadium Series™ contest and inspired from the chrome details in the NHL shield.

Anaheim's orange jersey for the game included enlarged player numbers for improved visibility in an outdoor venue, as well as a shoulder logo to signify the geographic rivalry between the Ducks and Kings. An interlocked "OC" logo appeared on the left shoulder of the jersey. The NHL Stadium Series jersey was designed with creative input from the Ducks, Reebok and the NHL.

COMMUNITY INVOLVEMENT

Commitment to community is one of the fundamental values of the Anaheim Ducks organization. The Ducks strive to be actively involved in the local community, ranging from outreach and fundraising events, in-kind donations, charity tickets and the dedicated involvement of the players, coaches, broadcasters, staff, Orange Alliance members, corporate partners and fans.

Under the guidance and example set forth by our owners, Henry and Susan Samueli, philanthropic support and giving is not only our responsibility as a member of the Southern California community, but something that is ingrained in the identity and culture of the team, staff and fan base.

Inclusive Hockey Programs

In collaboration with the NHL's Hockey is for Everyone initiative, the Anaheim Ducks and The Rinks have created a variety of programs supporting adaptive and inclusive hockey. To make sure that the sport of hockey is accessible and available to all, the Ducks adaptive hockey programs include Top Flight, which teaches street hockey, ice hockey and ice skating to individuals with intellectual disabilities; sled hockey, which is designed for physically disabled youth and adults; blind hockey which provides opportunities for individuals with visual impairments; and deaf/hard of hearing hockey for individuals who have been diagnosed with a hearing loss.

Staff Volunteering

Anaheim Ducks, Honda Center, OCVIBE and The Rinks employees share a commitment to the community and throughout the year are actively engaged in assisting the community through volunteer service. In addition, the Ducks hold toy drives presented by Easton & Easton throughout the month of December with Anaheim Fire & Rescue.

50/50 Raffle

The 50/50 Raffle is an exciting chance for fans to win a cash prize while also helping the Anaheim Ducks Foundation continue to expand the reach of its community programs throughout Southern California. One lucky fan receives half of the jackpot total from the raffle ticket sales that game and the other half benefits the Anaheim Ducks Foundation. The 50/50 Raffle has raised close to $2.9 million dollars directly benefiting the Anaheim Ducks Foundation.

Fly Together Grant Program

Now in its second year, the Anaheim Ducks Foundation Fly Together grant program is an open call for nonprofits to submit applications for funds raised through the 50/50 Raffle conducted at home games throughout the season.

Just as a Ducks win represents the collective effort and achievement of the individual players on the ice (and, of course, the coaches and trainers off the ice as well), our community is uplifted when its members all can achieve their maximum potential. Through the Anaheim Ducks Foundation Fly Together grant program, we invite nonprofit organizations to share the innovative and thoughtful ways they are creating access and opportunity to enrich lives and strengthen community well-being. Community Corner presented by Western National Property Management

The Anaheim Ducks Community Corner presented by Western National Property Management is a season-long program that provides complimentary tickets to every Anaheim Ducks preseason and regular season home game to local nonprofit organizations through the generous sponsorship of corporate partners. The Community Corner program was established to provide the opportunity to experience Ducks hockey to individuals and groups who may not be able to do so otherwise.

Launched in 2015, the Ducks began the tradition of creating a spot on their Opening Night roster for the 21st Duck to honor a fan who embodies perseverance, character, courage, and inspiration, or is making significant contributions to our community. Each fall, the Ducks receive hundreds of submissions for the 21st Duck, inviting fans to share inspirational stories of Ducks fans who have demonstrated resilience and dedication. Each season, the chosen submission is introduced as the team's 21st Duck as part of the club's home opener at Honda Center.

Emma Melin - 2024-25

Emma Melin became the ninth 21st Duck Oct. 16, 2024 at nine years old when the Ducks opened their 2024-25 season vs. Utah. Emma has suffered effects of life-threatening food allergies her entire life and receives routine medical treatment for her condition.

Her journey began at just nine days old, when she experienced the first of many emergency room visits caused by life-threatening food allergies - including five severe anaphylactic reactions that stopped her breathing.

At just six years old, Emma made it her mission to help others like her. Affectionately known as "Allergic Emma," she hosts an annual Food Allergy Meetup and proudly serves as an ambassador for several allergy-awareness organizations. Emma has presence on various social media platforms, with content that ranges from allergy-safe recipes, reviews of products that are allergy-conscientious, social commentary, tips for creating safer environments and more.

She joined the Ducks' Learn Her Way program in 2025, continuing to inspire the community and prove food allergies don't have to stand in the way of doing what you love.

Trent Sullivan - 2023-24

Trent Sullivan was introduced as the 2023-24 21st Duck on Oct. 15, 2023 vs. Carolina when the club opened its home schedule for the 30th Anniversary season. Sullivan was born with a congenital heart defect and needed a heart transplant when he was just days old. Since then he has also undergone a kidney transplant, pacemaker surgery and chemotherapy.

Sullivan, who is basically a walking, talking miracle, turned 30 this year. Seemingly nothing can slow Sullivan down, volunteering for Camp del Corazon, American Heart Association, Children's Health of Orange County (CHOC) Miracle Network and Renal Support Network, four worthy causes that aid and support patients and families that are in situations similar to his.

He is also a part of Grant's Wishes, a non-profit set up by his family that honors his late brother Grant who died from childhood cancer in 2002.

Ethan Baroldi - 2022-23

The Ducks introduced 10-year-old Ethan Baroldi as the 2022-23 21st Duck on Oct. 12, 2022 vs. Seattle. Ethan has battled through four heart surgeries, the first coming when he was six weeks old, the most recent in 2020. After the initial surgery, Ethan also suffered a stroke and was airlifted to the hospital, which led to two of his heart surgeries. Through it all, Ethan persevered and began skating at age six as part of the Ducks Learn to Play Program Powered by Ryan Getzlaf and Corey Perry.

As Ethan fell in love with hockey and his beloved Ducks, another potential roadblock would arrive. In 2020, in the middle of the COVID-19 pandemic, doctors would recommend a fourth heart surgery. Not to be denied and after a year away from hockey, Ethan made the Jr. B Ducks team in 2021.

A grateful Ethan and his family have given back to those who were critical in his treatment. His family organized Team Ethan Factor 5 as part of the Orange County Ronald McDonald House Walk for Kids at Honda Center. They also support the American Heart Association, with Ethan inspiring his classmates to join the Jump Rope for Heart campaign.

Luke Gane - 2021-22

Luke Gane became the sixth 21st Duck honoree on Oct. 13, 2021, during Anaheim's home opener vs. Winnipeg. In 2008, before football practice, Luke Gane experienced a nosebleed that lasted over an hour. The Edison high school junior had high hopes to earn a football scholarship that year but soon found himself at CHOC hospital needing a bone marrow transplant. His diagnosis: severe aplastic anemia. Luke needed a transplant quickly and out of his four younger brothers, his youngest two (identical twins) brothers were matches. When asked who would help their older brother, 10-year-old Jacob raised his hand just before his twin brother Noah. With chemotherapy and a successful bone marrow transplant from Jacob, Luke had a four month stay at CHOC.

With determination and great support from his family, friends and coaches, Luke returned for his senior year in high school as a starter on the football team. He was able to help his team to an undefeated regular season and went on to play on the UCLA football team as a preferred walk-on.

Now, Luke, a special education teacher at Westminster High School, jumps at the chance to encourage and inspire CHOC patients. To this day, his doctors will call him to speak to new patients with similar diagnoses and their families to provide words of encouragement and inspiration. He is also a supporter and advocate for the Aplastic Anemia Foundation (AAMDS).

Luke has been a Ducks fan since he was three years old. He loved wearing his Paul Kariya jersey everywhere and played inline hockey throughout his childhood, even inspiring his brothers and his father to take up the sport as well. Today, Luke continues to play ice hockey in a recreational league at The Rinks. He loved it when the Ducks players would visit him during his CHOC stay and has remained a steadfast supporter of his favorite hockey club.

Angelique Fong - 2020-21

Angelique Fong became the fifth 21st Duck on Jan. 18, 2021. Angelique is a two-time cancer survivor and mentor to cancer patients. Seven weeks after marrying the love of her life, Angelique, was diagnosed with breast cancer at age 39. Despite no symptoms, she had started on a cycle of mammograms and MRIs at the age of 35 because her mother was a two-time breast cancer survivor.

Already familiar with Susan G. Komen Orange County because of her mother's fight against cancer, Angelique served as a mentor to newly diagnosed breast cancer patients, volunteered at their free mobile mammography unit, and was a spokesperson at fundraising events. She turned her passion for running into a purpose: she has run over 40 half marathons and three marathons and counting, including a 48-mile challenge over four days twice, dedicating each mile to fellow cancer warriors.

Five years after winning her first battle, Angelique received the news that her breast cancer returned in April 2019 despite a double mastectomy. After three surgeries, Angelique created a "Radiate Kindness" initiative, including 33 random acts of kindness, one for each of her radiation treatments, to turn her radiation treatment into an opportunity to help others. Gestures ranged from monetary donations to her favorite causes; in-kind donations- homemade blankets to fellow cancer patients and children at CHOC, pet supplies to OC Animal Care, donating books to the library; and pay-it-forward surprises at the drive-thru window.

Due to the COVID-19 pandemic, Angelique was unable to be introduced during the home opener of the 2020-21 season, but the team flipped the script on her. On Feb, 17, 2021, the Ducks players, coaches and staff sat in the Honda Center seats and surprised Angelique with a standing ovation as she was introduced and walked out onto the ice for the first time.

As a longtime season ticket holder, Angelique credits the Ducks with being an important part of her life and throughout her cancer journey. Because of her perseverance and bravery, Angelique was honored with the Susan G. Komen Orange County 2019 "Most Inspirational Breast Cancer Survivor" Award.

Lera Doederlein - 2019-20

Lera Doederlein was introduced as the fourth 21st Duck at Honda Center on Oct. 3, 2019.

Born in Russia and adopted at the age of 21 months, Doederlein wore leg braces and used crutches most of her life due to being born with a condition called Arthrogryposis Multiplex Congenita (in both legs). After several surgeries and facing life in a wheelchair, Doederlein decided to take control of her mobility in 2017 and elected to have a double above-knee amputation. She was just 14

years of age at the time. Lera became dedicated to finding and creating her own way in sports as a bilateral amputee, as well as advocating and serving as an ambassador for adaptive sports.

Not long after her surgery, Lera was shown the sport of sled hockey at a sport amputee clinic and quickly fell in love with the game. Originally from Arizona, Lera began playing for the Arizona Coyotes sled program, and in 2018, she moved to San Diego where she joined the San Diego Ducks Sled hockey team. Beginning on the youth team, she served as a mentor to her teammates through her leadership, kindness and passion for the sport and scored 10 of the team's 19 goals in leading the team to the USA Hockey Disabled Hockey Festival's national championship.

Lera serves as a featured athlete for the Challenged Athletes Foundation, which provides opportunities and support to people with physical challenges, so they can pursue active lifestyles through physical fitness and competitive athletics.

In 2022, Lera represented Team USA at the Paralympic Winter Games in Beijing. She participated in the Sprint Biathlon, Middle-Distance Biathlon, Sprint Cross-Country, Middle-Distance Cross-Country.

Michael Lu - 2018-19

Michael Lu became the third 21st Duck when he was introduced at Honda Center on Oct. 8, 2018. A dedicated Ducks fan since 1993, Michael was diagnosed with Parkinson's at 28. He plans on not only finding a cure for Parkinson's, but to inspire others that this disease is solely just a disease. Parkinson's is a part of him, but it does not define him.

Michael was raised playing roller and ice hockey since age four in the Jr. Ducks program. He continued playing locally until his diagnosis in 2017. Even though he cannot play at the level he once did, he continued to work as a hockey instructor in the Ducks Learn to Play Program where he helped grow children's hockey skills and love for the game.

Michael earned a master's degree in Educational Psychology to counsel children with disabilities. Michael is optimistic and hopeful about life and his journey with Parkinson's. He works with the nonprofit organization Parkinson's Resource Organization as a member of the Board of Directors and is making it his mission to take his diagnosis to help raise awareness for Parkinson's to find a cure.

Katie Hawley - 2017-18

Katie Hawley became the second 21st Duck on Oct. 5, 2017, when she was introduced at Honda Center. Katie has been battling neuroblastoma since the age of nine, a rare childhood cancer. Katie had defeated cancer twice and endured countless surgeries, chemotherapy sessions, radiation treatments, scans, and blood transfusions. When Katie was diagnosed with cancer for the third time in December 2016, her spirits were low, and she told her parents that she did not want to fight anymore. Katie was given tickets to attend a Ducks game with her family. She credits watching that game and her favorite player, Rickard Rakell, as a key to reenergizing her drive to beat the disease.

Katie not only continues to fight the disease, but she also inspires others. Katie is a Courageous Kid with the Jessie Rees Foundation, a nonprofit organization ensuring that every child fighting cancer has the support to "Never Ever Give Up!" She has also helped raise awareness through the Pediatric Cancer Research Foundation's 5K run, the American Cancer Society's Relay for Life and has created her own way to give back to patients in need through S.O.S., Stuff Our Slippers.

As part of her 21st Duck experience, Katie joined the team for practice to prepare for her Opening Night skate onto Honda Center ice - joined Rickard Rakell on the pre-game Orange Carpet - and then was led out onto the ice by Rakell and Corey Perry for player introductions, where she told them both to score goals that night. Perry had two goals in the game, and Rakell broke a 4-4 tie with the eventual game-winner late in regulation.

Kai Quinonez - 2015-16

Kai Quinonez is the inaugural 21st Duck. He was introduced to a sold-out crowd during the Ducks home opener on Oct. 12, 2015, at Honda Center through the Make-A-Wish Foundation of Orange County and Inland Empire. A youth hockey player, Kai was diagnosed with aplastic anemia when he was nine, and through the Make-A-Wish Foundation, he was afforded the opportunity to practice with the Ducks and join them for the home opener.

Kai was originally granted a day with the team and took part in a practice with Ducks players but was surprised by the club in what was the start of an inspiring new tradition. Kai, then 13 years old, arrived for Opening Night to walk the Orange Carpet with his favorite player, Hampus Lindholm. Kai skated out onto the Honda Center ice during the player introduction and was introduced as the 21st member of the Ducks for the 2015-16 season.

As part of his Make-A-Wish, Upper Deck surprised Kai by unveiling his very own Upper Deck Young Guns rookie card during the game at Honda Center in front of his family and fans in attendance. With a dream to play hockey, Kai played in multiple seasons for Los Alamitos High School in the Anaheim Ducks High School Hockey League from 2017-19.

YOUTH HOCKEY AND FAN DEVELOPMENT

The Anaheim Ducks are committed to growing the game of hockey in Southern California. Together with the NHL and USA Hockey, the team strives to provide opportunities for people from all walks of life to take part in the game.

FAN DEVELOPMENT PROGRAMS

S.C.O.R.E

The award-winning Anaheim Ducks S.C.O.R.E. (Scholastic Curriculum Of Recreation & Education) program was developed by the Ducks in 2005 with the goal of making a positive impact with youth in local schools and hockey communities throughout Southern California. Based on the team's goals in the community and through funding from the Anaheim Ducks Foundation, Ducks S.C.O.R.E. has been made free of charge to all its participants. The program uses the sport of hockey to teach educational themes, encourage healthy and active living, reinforce the importance of positive character building, and reward youth for their dedication of pursuing academic excellence.

Through its initiatives, Ducks S.C.O.R.E. has contributed to the educational landscape within traditional and non-traditional settings while impacting over 45,000 students annually. It provides educators with viable alternatives to costly programming, especially during times when funding for extra-curricular programs have decreased, or in some cases, cut entirely. As a testament to the program's success in its community, Ducks S.C.O.R.E. has received local, state, and national awards from educational organizations; it has also inspired local educators, organizations, and museums to include the use of hockey within the walls of their educational settings. Ducks S.C.O.R.E. in its entirety, is a multifaceted program. It is comprised of two major parts, an in-class education initiative and a physical education curriculum featuring street hockey.

Reading is the Goal

Reading Is the Goal is part of the Anaheim Ducks S.C.O.R.E. In-Class Education Program and rewards fourth grade students for their time spent reading per day within a flexible 30-day period. Its goals are to convey the importance of reading as the foundation to success and to help students cultivate a life-long love for reading. Since its inception, Reading Is the Goal has made significant contributions within schools. It has raised students' reading proficiency as well as test scores among its participants. Through its work in the community, Reading Is the Goal has received awards from the International Reading Association (IRA).

Reading Is the Goal is an effective literacy program implemented in classrooms with flexibility and with a minor time commitment. Over a 30-day period, students record their daily reading times on an official Reading Is the Goal form. The Ducks reward students based upon their participation and personal achievement reaching various plateau levels of 600, 1200, 1800, and 3000 total minutes read. To help encourage all students to read, they can work together to win great prizes for their entire classroom. Teachers who participate in this free program will receive an official Ducks Reading Is the Goal Kit containing materials to supplement student engagement in the program. These materials include a Reading Is the Goal two (2) pocket folders, pencil pouch, pencil, eraser, and reading chart.

Reading Is the Goal Day is the Anaheim Ducks' annual event used to promote literacy and the importance of education to students locally. Each year, the Ducks select a school from its Ducks S.C.O.R.E. Reading Is the Goal participants from the previous year as a recipient of this exciting day. Ducks executive and front office members visit each classroom to interact with students as well as read to them. The event concludes with an all-school assembly with Anaheim Ducks players reading a children's book, conduct a question-and-answer session, and present gifts to the school.

First Flight Field Trip

Part of the S.C.O.R.E curriculum, the annual First Flight Field Trip that transforms Honda Center into the largest science of hockey classroom in North America with over 16,000 students from 150 schools per year. First Flight encourages students to engage in and explore science, technology, engineering, and math (STEM) through a variety of activities and demonstrations. STEM education is a fundamental part of the Anaheim Ducks S.C.O.R.E. program and is utilized to ignite students' interest and passion in the STEM fields.

Recognized as an educational event for all ages by the California State Assembly and as a contributor to informal education by the National Science Teachers' Association, First Flight is completely free to participating schools and students, and the

curriculum has been designed to meet the state's educational content standards for grades 3-6. First Flight was the recipient of the 2010 Michael Faraday Science Communicator Award from the NSTA for its contributions to informal education through its unique and innovative methods to communicate in-class subjects such as math and science. The award was created in 2003 when the Discovery Channel teamed with NSTA, to honor individuals/organizations that are not classroom teachers but who work in or have developed a compatible setting for science communication (e.g., museum, nature center, zoo, state park, aquarium, radio, television, internet, and other science-rich institutions and/or media).

Captain's Challenge

The Captain's Challenge is a health and fitness program that was created to help students learn to become a captain like the Anaheim Ducks captains of past and present. Through lessons on leadership, perseverance, integrity, courage, and accountability, students will understand how to lead themselves and others to better health and fitness. This month-long program was designed to inspire, motivate, and empower students while placing minimal burden for implementation in the classroom. As an added benefit of participating in the Captain's Challenge activities, students will be better prepared for their fifth grade California Physical Fitness Test.

The Captain's Challenge Fit Finals is the culminating experience for schools in the Captain's Challenge Program. This event helps teachers administer five of the six required testing areas [aerobic capacity, abdominal strength, trunk extensor strength, upper body strength, and flexibility] for the State of California Grade Five Physical Fitness assessment. Anaheim Ducks and community partners are on hand to record students' scores and encourage them in a highly exciting and energetic atmosphere similar to a marathon or 10k race.

Street Hockey Program

The Anaheim Ducks S.C.O.R.E. Street Hockey program is a free program designed to promote the game of hockey and physical fitness currently implemented in 75 public and private schools throughout Orange, Riverside and San Bernardino Counties.

The 10-day curriculum is intended to be taught as an in-school PE module and is guaranteed to be received by students with excitement. With the help of local educational organizations such as the Orange County Department of Education, the curriculum was created to follow the physical activity, fitness, balance, motor skills, and movement concepts listed in the California Physical Education Standards for fourth grade students. Street hockey, according to these organizations, is an age-appropriate sport for fourth graders as it addresses many of the physical and mental outcomes for these students. Schools in the program receive a full donation of street hockey equipment which includes sticks, balls, nets, goaltender protection, and student instruction workbooks.

The Anaheim Ducks S.C.O.R.E. Street Hockey Shootout is an annual event inviting all schools from its physical education program to participate in a one-day street hockey festival at Honda Center. The featured portion of the event is a street hockey tournament in which fourth grade students from these schools compete against other schools for the perpetual Ducks S.C.O.R.E. Shootout Cup.

YOUTH HOCKEY PROGRAMS

Irvine ICE Foundation consists of the Anaheim Jr. Ducks, Anaheim Lady Ducks, and the Anaheim Ducks High School Hockey League. It is a youth hockey organization dedicated to the development of players at every skill level. The IIF youth hockey programs have 20-plus years of tradition as one of the premier hockey programs in Southern California. USA Hockey recognized The Rinks, the Jr. Ducks and the Lady Ducks as Model Club Associations dedicated to age-appropriate, age-specific skill development, in accordance with USA Hockey's American Development Model. It marked the first time USA Hockey has honored three programs within an organization, while the program became only the 21st in the nation to be honored as a Model Club. The youth hockey programs offer competitive teams for boys (ages 6-18) and girls (ages 6-19).

The IIF programs have produced four first-round NHL Draft picks and 10 players overall the last five years. The program also develops numerous men's and women's NCAA Division 1 and 3 student athletes. Four players developed by the Jr. Ducks were selected in the 2024 NHL Draft, including the highest selection by a Jr. Ducks player, Zeev Buium (12th overall) by the Minnesota Wild.

The Lady Ducks are the leading girls hockey program in Southern California and all of the Western United States, with over 150 athletes signing at the NCAA Division I and III as well as ACHA College Hockey. The San Diego Jr. Gulls joined IIF in October 2020. The Jr. Gulls are the largest youth hockey program in San Diego and one of the top programs in

California having consisted of teams from 8-under to 18-under for more than 40 years. There are currently 11 Jr. Gulls teams. The Jr. Gulls have developed players that have progressed to the NHL, other professional leagues, NCAA, Junior A Tier 1 & 2, and the U.S. National Team Development Program (USNTDP).

The Lady Ducks program has developed several of the top players in women's hockey. Notable Lady Ducks alumni include two-time Olympian and NCAA National Champion, Cayla Barnes. She was selected by Montreal in the first round (fifth overall) in the 2024 Professional Women's Hockey League (PWHL) Draft.

Anaheim Ducks High School Hockey League

The Anaheim Ducks High School Hockey League (ADHSHL) began with one team in 2008, growing to over 55 teams from over 30 schools in Southern California. The league consists of five divisions (varsity divisions 1-3 and two junior varsity divisions). The ADHSHL All-Star Games take place annually in January and feature some of the best high school hockey players in Southern California. The league features weekly games at various rink locations operated by The Rinks & Great Park Ice, including Anaheim ICE, Great Park Ice & FivePoint Arena, Honda Center, Lakewood ICE and San Diego Ice Arena.

The goal of the ADHSHL is to provide student-athletes a positive high school hockey experience on the ice, as well as academically and socially. The league has also won three National Championships at the USA Hockey Nationals, with Santa Margarita winning in 2013, 2018 and 2019 (finalist in 2015). In addition, seven local teams affiliated with the Ducks programs won California State Championships in 2015 with three additional teams winning the Southern California Amateur Hockey Association Championships. In 2021, the Capistrano Coyotes were a Finalist in the Division 2 National Championship. Numerous players have been drafted by NHL.

G.O.A.L. Hockey

The Anaheim Ducks G.O.A.L. (Growth Outreach & Awareness Locally) Hockey program is a grassroots initiative created to develop community-based projects that promote and educate local Orange County youth about the sport of hockey and the Anaheim Ducks. G.O.A.L. strives to develop new ways to keep our community and youth involved in hockey, whether it be street, inline, or ice. With tournaments, leagues, clinics, or events throughout the NHL season, G.O.A.L. has several programs available to help grow the sport in Southern California.

G.O.A.L. takes pride in implementing a programmatic pathway that molds local youth into hockey players in the community. After youth participate in the S.C.O.R.E. Street Hockey program, participating schools have the opportunity to sign their students up for the i3 Roller Hockey League. Here, students will have the opportunity to continue playing the sport of hockey through 8th grade. Following i3, numerous participants have graduated from roller hockey and take on the new endeavor of ice hockey in the Anaheim Ducks High School Hockey League (ADHSHL).

i3 Roller Hockey League

The Anaheim Ducks i3 (Interscholastic Inline Initiative) Roller Hockey League is an interscholastic league offered to students in 5th-8th grade. The season takes place from March through May with all games taking place directly after school. The league currently consists of junior varsity and varsity divisions, with teams from ten Orange County schools. The Anaheim Ducks host the annual i3 Showcase Games and Skills Competition at The Rinks—Irvine Inline, which features at least one representative from each team. SAN DIEGO GULLS HISTORY

On Jan. 29, 2015, the Anaheim Ducks announced that the National Hockey League (NHL) club would purchase the Norfolk Admirals American Hockey League (AHL) franchise and relocate it from Norfolk, Va., to San Diego. The Ducks joined affiliates from the Los Angeles Kings (Ontario, Calif.), San Jose Sharks (San Jose, Calif.), Calgary Flames (Stockton, Calif.) and Edmonton Oilers (Bakersfield, Calif.) in the newly created AHL Pacific Division.

The official logo and team colors of blue, orange and black were unveiled at a free event Feb. 22, 2015. More than 8,500 eager hockey fans waited in a line, wrapping around Pechanga Arena San Diego for the opportunity to be a part of hockey's return to San Diego. Dallas Eakins was named the first Head Coach of the Gulls June 26, 2015.

In nine AHL seasons, San Diego owns an all-time record of 287-248-33-17. The Gulls have made the playoffs in five of their eight seasons the AHL has hosted a postseason (2020 Calder Cup Playoffs were canceled due to COVID-19 pandemic, 2021 Pacific Division was the only AHL division to host a postseason during the COVID-19 pandemic return to play season).

The San Diego Gulls took the ice Oct. 10, 2015 to open their inaugural AHL season in front of a sellout crowd of 12,920 at Pechanga Arena San Diego. Nick Ritchie, selected by Anaheim in the first round (10th overall) of the 2014 NHL Draft, scored the first AHL goal in Gulls history en route to a 4-2 victory over the Grand Rapids Griffins.

San Diego concluded the inaugural 2015-16 season with a 39-23-4-2 record, earning second place in the Pacific Division. The Gulls made their first appearance in the Calder Cup Playoffs Apr. 21, 2016 at the Texas Stars and won their first-ever playoff series vs. Texas (3-1). In the inaugural season, San Diego ranked second among league leaders in average attendance (8,675), bringing nearly 300,000 fans to watch Gulls hockey at Pechanga Arena San Diego.

In 2016-17, San Diego was recognized as winners of the President's Award as the AHL Team of the Year, given to an AHL organization for overall excellence as voted on by all AHL team presidents. One of the highlights of 2016-17 was the introduction of Gulls hockey to the masses, as the club televised its first AHL game Feb. 12, 2017 (a 4-0 win vs. Bakersfield), the highest level of San Diego hockey broadcast in the region on FOX 5 San Diego. The televised game was also the first TV broadcast by a club in the newly created AHL Pacific Division.

San Diego finished its 2017-18 season leading the AHL in attendance in 2017-18 (9,305 avg.), setting new club marks for a third consecutive season in average and overall attendance (316,368). San Diego became the first team in 12 seasons to usurp the Hershey Bears atop the league's attendance charts. For a third consecutive season, San Diego was named the AHL's ticket sales department of the year. In 2018-19, San Diego led the AHL in attendance for the second straight season (9,021 avg. per game). The 2019 postseason saw the Gulls advance to the Western Conference Finals for the first time in club history, eventually falling to the Chicago Wolves in six games.

San Diego spent its 2020-21 season based out of Irvine, Calif. at Great Park Ice and FivePoint Arena due to the COVID-19 pandemic during a season that restricted the AHL to interdivision play during the shortened season. Andrew Poturalski won the John B. Sollenberger trophy as the AHL's top point-scorer in 2020-21 (9-34=43), the first player in San Diego Gulls history to win an AHL season award and the first Anaheim Ducks prospect to win the AHL scoring title.

TEAM HISTORY

The Tulsa Oilers have existed on and off since 1928, with the first installment of the team playing in the American Hockey Association. The original Oilers played in the state-of-the-art Tulsa Coliseum, ceasing operations in 1942 as a result of World War II.

The second Oilers franchise was the shortest to date, participating in the original USHL from 1945-51.

The team returned in 1964, joining the Central Professional Hockey League, which would later become the CHL, a league owned and operated by the NHL. The Oilers were three-time Adams Cup champions during their time in the CHL, lasting until the league's final season in 1984. Several NHL alumni and five members of the Miracle on Ice team played for the Oilers during this era. Some alumni include John Vanbiesbrouck, Don Cherry, Pat Quinn and Rick Bowness.

Tulsa would be without hockey from 1984 until 1992, when the current iteration of the team was reborn. The Oilers began play in the newly formed CHL, winning the Ray Miron President's Cup in its first season. The Oilers continued to play in the CHL until the CHL, ECHL merger in 2014. Tulsa won its first Mountain Division Championship in 2018-19, finishing atop the Mountain Division in the regular season and reaching game seven of the ECHL's Western Conference Finals.

The Ducks and Oilers began their affiliation agreement in 2020. Head Coach Rob Murray is in his ninth season behind the bench in Tulsa in 2025-26, helping the club to Kelly Cup Playoff appearances in four of the last six seasons, including a berth in 2024-25. Anaheim affiliates in the ECHL have also included Utah (2013-18), Fort Wayne (2012-13), Elmira (2010-12), Bakersfield (2008-10) and Augusta (2006-08).

Anaheim tied a club record with five skaters scoring 20 goals (also 2006-07). The 20-goal scorers included Mason McTavish (22), Troy Terry (21), Frank Vatrano (21), Leo Carlsson (20) and Cutter Gauthier (20). In addition, all five players with 20 goals also earned 20 assists, the first time Anaheim has had five skaters reach 20 goals and 20 assists in the same season. Anaheim was the only NHL team with three players 22 and younger to score 20 goals in 2024-25, with Carlsson, Gauthier and McTavish all reaching 20 goals for the first time in their respective careers. Carlsson became the only player in Ducks history to reach the milestone at age 20 or younger, and Gauthier is the fourth Ducks rookie with a 20-goal season. DYNAMIC DEFENSEMEN

Anaheim defensemen combined for 34 goals and 141 points in the 2024-25 season, 25% of the club's percentage of points. Twenty-four of Anaheim's 34 goals by defensemen were scored by players 23-and-younger, tops among NHL teams: Jackson LaCombe (8, turned 24 Jan. 10, 2025), Olen Zellweger (7, 21 years old), Pavel Mintyukov (5, 21 years old) and Drew Helleson (4, turned 24 Mar. 26, 2025). Anaheim's 34 goals from defensemen accounted for 15.7% of the team's overall 217 goals, 10th among NHL clubs. THE 2023-24 SEASON:

Anaheim completed the 2023-24 season with a 27-50-5 record for 59 points. A total of 16 Anaheim draft selections appeared in a game for the Ducks, including six NHL debuts and three from the last two drafts (Leo Carlsson, 2023; Tristan Luneau and Pavel Mintyukov, 2022). The Ducks finished among the top five teams in man-games lost during the campaign (306 total), while left wing Frank Vatrano was the lone skater to appear in all 82 games.

MIGHTY MILESTONES:

The Ducks won a season-best six straight games Oct. 24-Nov. 5, the club's longest win streak since eight consecutive victories Oct. 31 to Nov. 16, 2021. Anaheim won five straight road games Oct. 24-Nov. 14, with four of those coming via third period comebacks, all one-goal wins. The Ducks swept their four-game road trip with a 4-3 win Oct. 30 @ PIT, marking the first perfect Eastern time zone trip of four games or more since Dec. 17-23, 2013 (4-0-0 through DET, NJD, NYI, WSH). The Ducks earned victories at CBJ (3-2, OT), BOS (4-3, OT), PHI (7-4) and PIT (4-3). Anaheim also matched the franchise record for goals in a road game with a 7-4 win, Oct. 28 @ PHI.

FIRST GOALS:

Anaheim led the NHL with seven skaters and five defensemen (fourth rookie D) scoring their first NHL goal. The seven skaters surpassed the five from Los Angeles and Vegas while Anaheim was one of two clubs (also LAK) to have double digits in the category. Anaheim's first goals were scored by Pavel Mintyukov (Oct. 15 vs. CAR), Leo Carlsson (Oct. 19 vs. DAL), Tristan Luneau (Nov. 30 vs. WSH), Jackson LaCombe (Jan. 20 @ SJS), Urho Vaakanainen (Jan. 27 @ DAL), Olen Zellweger (March 31 @ VAN) and Sam Colangelo (April 12 vs. CGY).

SILFVERBERG'S SWAN SONG:

Jakob Silfverberg retired from the NHL at the conclusion of the 2023-24 season. He appeared in 820 career NHL games with Anaheim (2013-24) and Ottawa (2012-13), earning 168-205=373 points. With Anaheim in 11 seasons, Silfverberg scored 158-196=354 points in 772 appearances. His 158 goals since his acquisition in 2013 were the most by a Ducks player. Among all-time Ducks leaders, he finished his career in the top-10 in goals (fifth), appearances (fifth), shots (fifth, 1,706), points (seventh), GWG (seventh, 20), assists (eighth), SHP (third, 11-6=17) and SHG (third, 11).

FRANK THE TANK:

Frank Vatrano set single-season career highs in points (60), goals (37) and assists (23), becoming one of five Ducks skaters to score 37 goals in a season (also Paul Kariya, Corey Perry, Teemu Selanne, Troy Terry). Vatrano reached the 30-goal, 20-assist and 60-point marks for the first time in his career. He led Anaheim in points, goals (37), PPG (13, career high), GWG (7), OTG (2), shots (272, career high) and PPP (13-7=20). Vatrano tied the Anaheim club record for most hat tricks in a season with three (Oct. 15 vs. CAR, Oct. 28 @ PHI, Apr. 18 @ VGK), tying Teemu Selanne and Corey Perry.

LEO'S LAUNCH:

Leo Carlsson scored 12-17=29 points in 55 games as a rookie, with his 12 goals tied for the most by a teenager in a season in Ducks history (also Stanislav Chistov; 12 in 2002-03). Carlsson scored his first goal in his NHL debut Oct. 19 vs. DAL, the only 2023 NHL Draft selection to net a goal in his debut this season. At 18 years, 297 days, he was the second-youngest player in Ducks history to score in his debut, trailing only Mason McTavish (18 years, 256 days on Oct. 13, 2021).

THE 2022-23 SEASON:

Anaheim completed the 2022-23 season with a 23-47-12 record for 58 points. Six players made their NHL debut during the campaign, including Pavol Regenda (Oct. 12 vs. SEA), Justin Kirkland (Dec. 20 @ LAK), Nikita Nesterenko (Mar. 21 vs. CGY), Olle Eriksson Ek (Apr. 8 @ ARI), Drew Helleson (Apr. 9 vs. COL) and Jackson LaCombe (Apr. 11 vs. VAN). Defenseman Cam Fowler and center Ryan Strome were the only Ducks to appear in all 82 games.

20-GOAL SCORERS:

The Ducks had four skaters with 20-plus goals, including Troy Terry (23), Trevor Zegras (23), Adam Henrique (22) and Frank Vatrano (23). The four 20-goal scorers were the most the team has had in one season since 2015-16 when Corey Perry (34), Ryan Kesler (21), Rickard Rakell (20) and Jakob Silfverberg (20) each hit the milestone. Both Terry (23 in 2022-23 and 37 in 2021-22) and Zegras (23 in 2022-23 and 2021-22) have recorded back-to-back 20-goal campaigns for the Ducks, the first pair of Anaheim teammates to post consecutive 20-goal seasons since Ryan Kesler (three seasons from 2014-15 to 2016-17) and Jakob Silfverberg (two seasons from 2015-16 to 2016-17).

RECORD HOMESTAND:

The Ducks hosted a franchise record 10-game homestand from Dec. 21 - Jan. 13 spanning 24 days). The homestand was tied for the third-longest in NHL history, trailing 12 straight at home by Tampa Bay (2010-11) and California (1975-76). The 24 days during the stretch were also the third most in league history, trailing Winnipeg (22 days, 2017-18) and Vancouver (22, 1981-82). Anaheim's longest prior homestand was eight games (three times).

GIBSON'S HISTORICAL FEATS:

John Gibson became Anaheim's all-time franchise saves leader Mar. 10 @ CGY, with his 13th save and 11,814th of his career passing Guy Hebert (11,813). Gibson did so in his 423rd career appearance, 18 fewer than Hebert. His 1,783 saves were the most by any NHL goaltender in his first 53 games of a season since Gump Worsley stopped 1,893 shots for the NYR through 53 games in 1962-63 (60 seasons ago). Worsley (three times: aforementioned 1962-63, 1,854 in 1960-61 and 1,853 in 1955-56 all with NYR) and Jacques Plante (1,874 in 1963-64) are the only goaltenders to stop more shots through 53 games in NHL history. Among all-time NHL goalies with 10 appearances in a single season, Gibson set an NHL single-season record for most shots against per 60 minutes (39.6). He stopped 50-plus shots in three February games (53, Feb. 10 vs. PIT; 51, Feb. 20 @ FLA; 51, Feb. 25 @ CAR), becoming the second NHL goaltender since 1955-56 (since shots began being tracked) to register three outings with 50-plus saves in a single month (also Gump Worsely, Jan. 1963; three times). He is one of three goaltenders in NHL history with three outings of 50-plus saves in a single season (Worsley and Al Rollins (1955-56)). Gibson is now tied for second in NHL history with six career 50-save games, trailing only Gump Worsley (7). Gibson ranked third among all NHL goalies in saves (1,783) and led the league in games with 50-plus saves (3).

CAM'S CAREER YEAR:

Cam Fowler skated in an NHL record 38:55 TOI Apr. 8 @ ARI, surpassing the only other mark in NHL history above 38:00 by Dennis Wideman (38:05), Jan. 18, 2014 w/ CGY @ VAN (TOI began being tracked in 1997-98) and his prior personal high of 35:11 Jan. 9, 2022 vs DET. Fowler set a new single-season career high in points (10-38=48) and assists, and was one goal shy of matching his career output in 2016-17. He became the third defenseman in Anaheim history to reach 40 points three times (also 2021-22 and 2010-11), joining Scott Niedermayer (four times) and Chris Pronger (three times).

THE 2021-22 SEASON:

Anaheim completed the 2021-22 season with a 31-37-14 record for 76 points. The Ducks season included an eight-game win streak (Oct. 31-Nov. 16), several landmark moments in his final season from Ryan Getzlaf, a breakout season from Troy Terry (37 goals) and multiple "viral" goals from Trevor Zegras, who set several rookie club records.

GETZLAF'S GOODBYE:

Ducks captain Ryan Getzlaf appeared in his final career NHL game April 24 vs. St. Louis. Getzlaf retired as Anaheim's all-time leading scorer in both the regular season (282-737=1,019) and playoffs (37-83=120). He is one of 12 players in NHL history to have captained the same team for 10 years and scored 1,000 career points. He is one of 13 players in hockey history to win two Olympic gold medals and a Stanley Cup championship, and one of 46 NHL players to record 1,000 points with a single franchise (more than 7,400 players have played in the NHL to date). Getzlaf retired ranked in the top 100 on the NHL's all-time points (88th) and assists (49th) lists, and was one of 58 players in NHL history with 700 assists.

TERRY TIME:

Troy Terry set career highs in points (37-30=67), goals, assists, PPG (8) and GWG (7), leading Anaheim in scoring, goals and GWG. He became the fifth Ducks player to score 35 goals in a season, joining Teemu Selanne (five times), Paul Kariya (four times), Corey Perry (three times) and Bobby Ryan (once), and the first since 2013-14 (Perry, 43). He is also the ninth player in Ducks history to record 60 points and ninth to score 30 goals and add 30 assists (last: Rakell, 34-35=69 in 2017-18). He recorded a career-best 16-game point streak from Oct. 18-Nov. 18 (12-10=22), the third longest in Ducks history and the longest since Corey Perry's club record of 19 games in 2009-10 (10-16=26).

CALDER CANDIDATE

Trevor Zegras recorded 23-38=61 points in 75 games, setting Ducks single-season rookie records in scoring and assists, surpassing Bobby Ryan (31-26=57 in 2008-09) for points and Cam Fowler (30 assists in 2010-11) in helpers. He is also Anaheim's all-time leading rookie scorer with 26-48=74 points all-time. He was named a finalist for the 2021-22 Calder Trophy, awarded "to the player selected as the most proficient in his first year of competition." He is the third player in franchise history to be named a Calder Trophy finalist, joining Bobby Ryan in 2008-09 (finished second in voting) and Paul Kariya in 1994-95 (finished third in voting). Zegras completed the regular season leading all NHL rookies in points per game (.81, minimum 40 points), PPG (9), co-leading in GWG (5), while ranking second in points, tied for second in goals and third in assists. He also led all NHL skaters with six shootout goals. He was one of 15 NHL rookies the last 10 seasons (since 2012-13) to record 60 or more points, and the third American to do so (also Auston Matthews and Clayton Keller). At 21 years and 41 days, Zegras became the youngest player in Anaheim history to lead the club in assists.

VIRAL MOMENTS:

Trevor Zegras scored two lacrosse-style goals, Apr. 1 at Arizona and Jan. 27, 2022 at Montreal, one of two players in NHL history to score two such goals (also Carolina's Andrei Svechnikov: Oct. 29, 2019 vs. Calgary and Dec. 19, 2019 at Colorado). His goal Apr. 1 marked the fifth lacrosse-style goal all-time in the NHL, with Zegras (twice), Svechnikov (twice) and Nashville's Filip Forsberg (Jan. 14, 2020 vs. Columbus) the only three NHL players to pull off "The Michigan" goal. On Dec. 7 at Buffalo, Zegras assisted on Sonny Milano's goal with a lacrosse-style "alley-oop" pass, lifting the puck onto his stick and flipping it over the net, with Milano batting the puck out of mid-air to score. It is one the only instance in NHL history a goal has been scored with a lacrosse-style pass from behind the net. The Zegras-Milano "alley-oop" goal was viewed more than 50 million times over a 48-hour span across various social and digital media platforms from Dec. 7-9.

THE FINISH:

The Ducks finished the regular season as one of the NHL's top teams, winning their last five regular-season games (tying with WPG for the longest active streak to end the season) and their last seven home games (second longest to WPG, 9)….the Ducks also went 10-1-1 with a .875 points percentage (second in the NHL to WPG) in their final 12 games…Anaheim also went 17-5-2 over the last 24 games (fourth in NHL) and 25-10-4 after the bye week (Jan. 13, tied for fourth in NHL)…over the last 47 regular-season games, the Ducks went 30-12-5 (also tied for fourth in NHL).

ON DEFENSE:

The Ducks finished the season allowing only 209 goals, third-best in the NHL…Anaheim was the NHL's top defensive team after the All-Star break, allowing only 73 goals in 32 games (league-leading 2.28 GAA), eight fewer than anyone else in the NHL (LA, 81 goals)...the Ducks got even stingier down the stretch, allowing only 49 goals in the last 24 games (leading-leading 2.04 GAA), 12 fewer than anyone else in the NHL (ARI, 61).

CLINCHED:

The Ducks clinched their sixth consecutive trip to the Stanley Cup Playoffs Apr. 4, equaling the second-longest streak in the NHL... only Pittsburgh had a longer streak with 12 (Minnesota also has six consecutive)...the Ducks entered 2018 playoffs with the most postseason wins in the Western Conference since 2014 (31-22) and rank tied for second in the NHL (Pittsburgh 40, New York Rangers 31).

RECORD-SETTING SEASON:

The Ducks established a franchise record with a .923 SV%, which co-led all NHL teams (NSH)...the previous team record for SV% in a single season was .921, set during the 1998-99 campaign... both Ryan Miller (.928) and John Gibson (.926) surpassed the individual single-season franchise record for SV% (.924, Jonas Hiller in 2010-11, Gibson in 2016-17)…Miller ranked fifth among NHL goaltenders in SV%, while Gibson ranked eighth in SV%, 10th in wins (31) and tied for ninth in shutouts (4)…from the All-Star break through the end of the regular season, Gibson led league netminders in GAA (1.95; min. 20 games) and SV% (.937; min. 20 games) to go along with a 14-4-2 record...Gibson concluded the regular season with a 21-7-3 record in his last 31 decisions.

POSTSEASON NOTES IN PLAYOFF SECTION

THE 2016-17 SEASON:

The Anaheim Ducks clinched the 2016-17 Pacific Division for the fifth straight season with a 46-23-13 record and 105 points…the Ducks were the seventh different team in NHL history to win five consecutive division titles, joining the Colorado/Quebec franchise (9 straight from 1995-03), Montreal (8 from 1975-82), Detroit (8 from 2001-09), Edmonton (6 from 1982-87), Dallas (5 from 1997-01) and Vancouver (5 from 2009-13)…Anaheim was also the only team to win the Pacific Division five consecutive years since its creation in 1993-94…the Ducks won the division after falling nine points back of first place on three separate occasions, most recently being nine points behind San Jose on March 15 (91 San Jose points to 82 Anaheim points)…the Ducks eclipsed 100 points for the fourth consecutive season, joining the Chicago Blackhawks as the only teams to accomplish the feat.

DOWN THE STRETCH:

The Ducks went 29-11-7 for 65 points after the Holiday Break (games resumed Dec. 27), the second-best record in the NHL (WSH had 74 points)…the Ducks also allowed only 99 goals over that stretch, 12 fewer than anyone else in the NHL (WSH, 111 allowed)…the Ducks' penalty killing also led the NHL at 88.1% over that stretch... Anaheim also went 14-2-3 for 31 points from the end of its bye week on Mar. 3 through the remainder of the schedule, ranking second the NHL in points and wins (STL, 15 wins and 32 points).

STRONG FINISH:

Anaheim became the fifth team in league history to conclude the regular season on a 14-game (11-0-3) point streak…the Ducks were the first team to accomplish the feat since Pittsburgh finished the 1992-93 season with points in 18 straight games…the other three teams included Montreal (21-game point streak in 1979-80), Philadelphia (14 in 1974-75) and Buffalo (14 in 1979-80)…the 11-0-3 run was the third-longest standings point streak in club history and tied for the second longest in the NHL this season (Columbus 16, Washington also had 14).

AT HONDA CENTER:

Anaheim's 29-8-4 record and 62 points at Honda Center tied franchise records in both categories...in addition, the club allowed the fewest goals at Honda Center in club history (82)…the Ducks won their final six home games (6-0-0) and closed the season with a 10-game point streak (9-0-1) at Honda Center.

CLINCHED:

Anaheim was one of six NHL teams and the only Pacific Division club that has qualified for the postseason in the previous five consecutive seasons, joining Pittsburgh (11 straight), Chicago (9), New York Rangers (7), St. Louis (6) and Minnesota (5)...during the five-year stretch, the Ducks posted a 227-104-45 record, leading the NHL in point percentage (.664) and points (499) and tied for second in wins.

ON THE LEADERBOARD:

The Ducks ranked third among NHL teams in goals against per game (2.40) and fewest goals allowed (197), and fourth in PK% (84.7%) in 2016-17...the Ducks also led the league in fewest goals allowed in the third period (55)…at Honda Center, Anaheim ranked third among NHL clubs in home standings points (62) and home wins (29-8-4) and second overall in fewest home goals allowed (82).

POSTSEASON NOTES IN PLAYOFF SECTION

A RECORD-BREAKING SEASON:

The Anaheim Ducks won their second Pacific Division title with a 30-12-6 record for 66 points, marking their best winning percentage in club history (.688 over 2007's .671)…the 2012-13 Ducks also had the best points percentage in club history on the road with a 14-5-5 (.688) mark, also ahead of the 2007 team (.598)…the Ducks finished second in the Western Conference and third overall in the NHL, behind only Chicago and Pittsburgh…the club's third-place finish in the overall league standings was the highest in club history.

COMEBACKS:

The Ducks rallied from deficits 15 times to win a game, including a 12-10-2 record when opponents scored first…Anaheim, Pittsburgh (11-6-0) and Chicago (10-5-4) were the first NHL teams since 2009-10 to have a record over .500 in such situations…the last team prior to 2012-13 was Bruce Boudreau's Washington Capitals (16-8-6 in 2009-10)…the Ducks lost only two games in regulation when scoring the first goal (18-2-4).

HOME SWEET HOME:

Anaheim won 13 consecutive games at Honda Center from Jan. 26-Mar. 20, 2013, the longest home streak in franchise history…the consecutive wins matched the NHL's second-longest home win streak since 2009-10 (also Washington at 13 games in 2010-11 under Boudreau…Detroit had an NHL-record 23-game streak in 2011-12)…Ryan Getzlaf's 9-21=30 points earned at home ranked tied for third in the NHL.

HERE TO STAY:

On Mar. 8 and Mar. 18, 2013, Ryan Getzlaf and Corey Perry signed respective eight-year contract extensions through the 2020-21 season…Getzlaf led Anaheim in points, goals and assists (15-34=49), while ranking tied for 10th among NHL leaders in scoring and tied for eighth in assists…Getzlaf had a career-high 12-game scoring streak at Honda Center from Feb. 1-Mar. 20, 2013, scoring 7-15=22 points (+12)…Perry ranked second among team leaders with 36 points, led in PPG (5) and co-led in goals (15) and GWG (5)…his five GWG ranked tied for sixth in the NHL.

#8:

Teemu Selanne recorded two four-point games in 2012-13, just the third and fourth time an NHL player 42 years or older accomplished the feat…Selanne scored 1-3=4 points on Feb. 9, 2013 at St. Louis (at 42 years, 326 days) and 2-2=4 points on Jan. 19, 2013 at Vancouver, joining Gordie Howe (42 years, 326 days) with 1-3=4 points for Detroit on Feb. 20, 1971 vs. Buffalo, and Tim Horton (42 years, 3 days) with 0-4=4 points for Pittsburgh on Jan. 15, 1972 vs. Philadelphia.

POSTSEASON NOTES IN PLAYOFF SECTION

THE 2010-11 REGULAR SEASON:

The Ducks finished the regular season with a record of 47-30-5 for 99 points, ranking second in the Pacific Division and fourth in the Western Conference...the club's 47 wins were tied for the second-most in franchise history (48 in 2006-07 and 47 in 2007-08).

ANOTHER STRONG FINISH:

With 20 games left, the Ducks were 32-25-5 with 69 points and ranked 11th in the Western Conference...the Ducks went 15-5-0 over the last 20 games, climbing to fourth in the West…during that stretch, **Corey Perry** led the NHL in goals and points (19-12=31 with a +12)…the Ducks also won their last two games, 10 of their last 13 (10-3-0), and went 29-13-1 over the last 43 contests.

PERRY WINS THE HART:

Corey Perry won the 2010-11 Hart Memorial Trophy as "the player adjudged to be the most valuable to his team"…Perry was the first player from a Southern California team to win the Hart Trophy since Hall-of-Famer Wayne Gretzky earned the honor with Los Angeles in 1989…Perry was also just the third player from a California team to win the Hart, joining Gretzky and San Jose's Joe Thornton (2006)…his 50 goals also won him the Maurice "Rocket" Richard Trophy as the league's top goal scorer…he tied for the league lead in GWG (11, also Ovechkin), finished third in points (98), and tied for fifth in PPG (14) and SHG (4)

MORE PERRY:

Perry's 50 goals were the most by a Ducks player since Teemu Selanne scored 52 during the 1997-98 season…he became the third player in franchise history to reach the 50-goal mark and the first in the Western Conference to score 50-or-more since Calgary's Jarome Iginla in 2007-08 (50)…Perry established numerous franchise records in 2010-11, including game-winning goals, third-period goals, and shorthanded goals.

BETTER WITH AGE:

Teemu Selanne (40 years old in 2010-11) recorded 31-49=80 points in 73 games…25 of Selanne's 31 goals came in a tied game or a one-goal contest...he was one of 15 NHL players to average over one point-per-game (eighth with 1.10)…the second-oldest player on that list was Tampa Bay's Martin St. Louis (35 yrs.) who averaged 1.21 points-per-game...Selanne ranked third in the NHL with 16 PPG and tied for eighth in overall scoring…only two players in NHL history age 40+ have recorded more points: (Gordie Howe (DET), 1968-98, 103 pts., 40 yrs, 276 days; Johnny Bucyk (BOS), 1975-76, 83 pts., 40 yrs, 234 days...on Mar. 28 vs. Colorado, he became the first player in history age 40+ to record three goals and five points (3-2=5) in a single game and the fourth-oldest player in NHL history to record a 3+ goal game (also Howe, Bucyk & Lidstrom).

VISNOVSKY LEADS THE PACK:

Lubomir Visnovsky led NHL defensemen in scoring (68), assists (50) and points-per-game (.84), and ranked second in goals (18).

HILLER SHINES BEFORE SEASON CUT SHORT:

Jonas Hiller went 26-16-5 with five shutouts, a 2.56 GAA and .924 SV% before having his season cut short due to vertigo symptoms...he made only three appearances following the All-Star break, missing a total of 27 games during the second half of the season…Hiller finished tied for fifth among NHL goaltenders in SV% (.924)…he was named to the NHL 2010-11 All-Star team, the lone goaltender to represent the Western Conference…he was the second Swiss-born player to appear in an NHL All-Star Game (also Mark Streit in 2009).

TAKING THE REINS:

The Ducks were 23-13-4 in their last 40 games dating back to Jan. 5, which equaled the eighth-best record in the NHL…that stretch began with Jonas Hiller starting 31 of the final 40 games, including 19 straight from Jan. 5-Mar. 24…prior to that, Hiller started 26 of the first 42 games of the season, alternating starts with J.S. POSTSEASON NOTES IN PLAYOFF SECTION

THE SEASON:

The Ducks completed the 2007-08 regular season with a mark of 47-27-8 record for 102 points, finishing second in the Pacific Division and fourth in the Western Conference…Anaheim eclipsed the 100-point mark for the second consecutive year, while setting new season club records for the fewest goals allowed (184) and most home wins (28)…Anaheim finished the year winning eight of its last 10 (8-2-0) and 15 of the last 20 games (15-4-1)…at Honda Center, the club went 12-1-0 in the last 13 games and 19-3-1 over the final 23 home contests…the club clinched a playoff berth for the third consecutive year and sixth time in franchise history on Mar. 26 vs. Los Angeles in a 2-1 shootout triumph.

DUCKS SELL OUT THE SEASON:

The Ducks' sellout vs. Phoenix on Apr. 6 (17,269) marked the club's 40th in 40 games at Honda Center in 2007-08, a complete sellout for the regular season…it was just the second time a local NHL team (Southern California market) had sold out a full (non-lockout) regular season…the 1991-92 Los Angeles Kings were the only other such team to do so at the 16,005-seat Forum…the Ducks set franchise attendance records last season for sellouts (40), average attendance (17,195) and percent capacity (100.12%)…the Ducks broke the team record for consecutive regular season sellouts on Feb. 22 against the St. Louis Blues when they surpassed the previous record of 51 straight regular season sellouts set from Dec. 22, 1993-Oct. 20, 1995...the Ducks finished the regular season with a sellout streak of 74 games, the third-longest active regular season sellout streak among U.S.-based NHL teams (behind only Minnesota and the NY Rangers).

WINNING AT HONDA CENTER:

The Ducks finished 28-9-4 at Honda Center in 2007-08, establishing a new franchise record for home wins in the regular season... the previous team record of 26 home wins was established during the 2005-06 season (26-10-5) and matched in the 2006-07 campaign (26-6-9)…the Ducks won a franchise-record 10 consecutive games at Honda Center from Feb. 17-Mar. 26, marking the longest home winning streak in the NHL in 2007-08.

THE TOP 10 LIST:

J.S. Giguere was one of only three goaltenders in the NHL in 2007-08 to rank among the top 10 in wins, goals-against average and save percentage...Giguere ranked second in GAA (2.12), third in SV% (.922) and tied for seventh in wins (35)...the only other two goaltenders who ranked among the top 10 in all three categories were New Jersey's Martin Brodeur and Minnesota's Niklas Backstrom.

HILLER SHINES:

Ducks goaltender Jonas Hiller closed the regular season on a strong note…from Mar. 1 through the end of the regular season, Hiller ranked second in the NHL with a .952 SV% (stopping 217-of-228 shots) and 1.55 GAA (11 GA/426 MIN) among goaltenders that played in at least five games (Hiller was 4-3-0 in those games).

WINNING WAYS:

Randy Carlyle (138-74-34) became Anaheim's winningest head coach in franchise history with a 2-1 victory over the New Jersey Devils on Feb. 8 at Prudential Center...Carlyle surpassed Ron Wilson's club record of 120 wins as a Ducks head coach with win No. 121 in his 223rd game behind the bench with Anaheim.

LEADERS BY ADDITION:

The Ducks went 20-5-1 after the return of right wing **Teemu Selanne** on Feb. 5 against the New York Islanders at Nassau Coliseum...the Ducks also had similar success when they welcomed the return of defenseman **Scott Niedermayer** and arrival of center **Doug Weight**...the Ducks owned the best winning percentage in the NHL after Selanne's return on Feb. 5 (.788) and the best winning percentage following Niedermayer's return on Dec. 16 (.708)...below is a closer look:

POSTSEASON NOTES IN PLAYOFF SECTION

PLAYOFF BOUND:

The Ducks finished the regular season with a record of 43-27-12, good for 98 standings points and a sixth place finish in the Western Conference…the club clinched a playoff spot on Apr. 10 @ VAN, the fourth post-season berth in club history.

A RECORD-BREAKING SEASON:

The Ducks set club-records in wins (43) and points (98), eclipsing the previous marks of 40 and 95, respectively, set in 2002-2003… Anaheim's 26 wins at HOME (26-10-5) also set a club-record, breaking the record of 23 in 1996-97 (23-12-6)…the Ducks also set club-records for goals scored with 251 (not including team goals awarded in shootouts) and power play goals with 87…all of these marks were broken again the next season (2006-2007).

STEADY CLIMB:

On Jan. 13, the Ducks were 10th in the Western Conference (19-16-7, 45 points) and eight points out of the last playoff spot (occupied at the time by Colorado)...from that point on, Anaheim had a record of 24-11-5 for 53 points…the Ducks became just the fourth NHL team to qualify for the playoffs when trailing the 8th place position by 8 points-or-more anytime after Jan. 1…the first three teams to do so were the NY Islanders (1993-94 - finished 7th) , Ottawa Senators (1996-97 - finished 7th) & Vancouver Canucks (2001-2002 - finished 8th)…the San Jose Sharks followed suit by becoming the fifth such team to accomplish the feat…the NHL standings switched to the current format in 1992-93.

ANOTHER GREAT SEASON:

Ducks Captain **Scott Niedermayer** established then career highs in points, assists and games played with 13-50=63 points in 82 games in 2005-2006... his assist and point totals were new franchise records for a defenseman (records he broke again the following season)...Niedermayer finished the season ranked 6th in the NHL in points and T-4th in assists by a defenseman...in his Norris Trophy winning season of 2003-04, Niedermayer scored 14-40=54 points in 81 games...in January, he was named to Canada's Olympic Team but elected not to play so he could have arthroscopic knee surgery during the Olympic Break...after the Olympic Break, he scored 4-17=21 points in 25 games in leading the Ducks to a 16-8-1 record...he was one of four Ducks' players to play in every game, marking the first time in his career he played all 82 games.

FLASHY FINN:

Ducks right wing **Teemu Selanne** scored 40-50=90 points in 80 games with a +28 rating…he led the Ducks in goals, points, plus/minus, power play goals (18) and shooting percentage (15.0%)… after leading Finland to the Silver Medal at the 2006 Winter Olympics (was named best forward in the tournament), Selanne had 14-22=36 points with a +8 rating in his last 25 games (only Thornton and Cheechoo of SJ had more points)…his 40 goals are the most he scored in one season since 1998-1999, when he scored 47...he finished the season ranked T-13th in the NHL in points, T-10th in goals.

POSTSEASON NOTES IN PLAYOFF SECTION

DUCKS COMPLETE BEST SEASON IN TEAM HISTORY:

The Mighty Ducks finished the 2002-2003 season with a record of 40-27-9-6 for 95 points, good for 2nd in the Pacific Division and 7th in the Western Conference (tied in points with Minnesota, who earned the #6 seed by virtue of two more wins)…Anaheim set club records for wins and points in one season, surpassing the old records held by the 1996-97 Ducks (36-33-13 for 85 points)...the Ducks also finished 13 games over .500, after never being more that five games over .500 at any point during a season until this year (high-water mark was 14 games over, 40-26-9-5 after winning Apr. 1 @ NSH)…the Ducks clinched their third playoff berth in team history (also '97 & '99) on Mar. 24, when Calgary defeated Phoenix at the Saddledome... about 90 minutes later that evening the Ducks made the Phoenix loss moot, completing a 5-0 shutout vs. Columbus at -the Pond.

THESE CLUB RECORDS ALSO FELL:

The Ducks had their most successful season both at home and on the road…Anaheim finished 18-17-2-4 for 42 points on the road this season, the first season at or above .500 in team history away from home… the Ducks broke the mark for road points by earning their 42nd on Apr. 1 @ Nashville (1993-94 team had 41 points with a 19-20-3 record)…Anaheim finished just one win short of the road win record, also held by the 1993-94 team...at home, the Ducks broke the team record for points with 53, going 22-10-7-2...Anaheim finished one win shy of tying the club record for home victories (both HOME records were set in 1996-97, 23-12-6 for 52 points)...the Ducks also broke club records for lowest GAA (2.32, previous record was 2.39 set 2001-2002), fewest goals allowed (193, record was 198 set 2001-2002), power play goals allowed (42, record was 46 set 2001-2002) and penalty killing percentage (87.4%, record was 86.1% set 2001-2002).

1997-98 SEASON:

The Ducks finished the season 26-43-13 for 65 points…the club went 6-7-4 over the last 17 games…Anaheim enjoyed the most success vs. the Atlantic Division, going 7-3-4 (.643 winning percentage) - marking the second best winning percentage vs. any division in franchise history (record is 66.7%, set in 1995-96 when the Ducks went 8-4-0 vs. the Northeast)…Anaheim had three players that ranked among NHL league leaders (including rookie leaders) in several categories (Selanne, Rucchin & Cullen)…the Mighty Ducks and Vancouver Canucks opened up their '97-98 NHL regular seasons with a two-game set in Tokyo on Oct. 3-4. The games marked the first NHL regular season contests outside of North America…**Teemu Selanne**'s sensational season included an 11-game goal scoring streak, three hat tricks, 10 game-winning` goals, a club-record 13 goals in a month (November), a hat trick in the All-Star game, a Bronze Medal at the Winter Olympics, and a league-leading 52 goals (tied with Peter Bondra)…Selanne also became just the fourth player in NHL history to record at least 25% of his teams goals in one season…**Paul Kariya** suffered a season-ending concussion on Feb. 1 vs. Chicago and appeared in only 22 games on the season.

1995-96 SEASON:

Final Record: 35-39-8, 78 points (fourth, Pacific)...nearly qualified for a Western Conference playoff spot (the Ducks actually finished tied-for-8th in the conference with Winnipeg, but lost the tie breaker because the Jets had more wins)... Anaheim's 35 wins and 78 points marked new club records for one season...the Mighty Ducks finished out the season strong, going 6-1-1 in their last eight games and 12-3-2 in their last 17 games...the Ducks did a lot of their late-season damage at home, going 11-1-2 in their last 14 home games…Anaheim also had a 15-6-3 record in the last 24 contests and a 17-8-3 record in the last 28...the Ducks went 33-31-8 over the last 72 games after starting the season 2-8-0...the Mighty Ducks' home record was 22-15-4 (22 home wins was a franchise record for one season)...Anaheim ended the season with a club-record nine-game home unbeaten streak (8-0-1)...the Ducks went 11-1-2 in their last 14 at the Arrowhead Pond and 13-5-3 in their last 21...road record was 13-23-4...Anaheim had one of the best records in the NHL since March 1 (12-4-3); the second-best in the Western Conference…the Mighty Ducks earned 34.6% of their points on the season in the team's 19 games after March 1... **Paul Kariya** became the first Mighty Duck to make First Team NHL All Star, earning a spot on the 1995-96 squad at left wing. He also won the Lady Byng Trophy for the first time in his career...Here are a few facts of how Anaheim's acquisition of **Teemu Selanne** affected the Mighty Ducks… after Feb. 7, the day the trade went down: Anaheim earned a record of 17-9-3 (11-1-2 at home, 6-8-1 on the road)...the team earned club-records in overall winning streak (six games, Mar. 8-22), home winning streak (five games, Mar. 8-Apr. 3), home unbeaten streak (Mar. 8-Apr. 14, 8-0-1) and overall unbeaten streak (seven games, 6-0-1, Mar. 10-24)...the Ducks' power play went 29-145 for a .200 success rate (team had only gone 31-281 for .110 before trade)...Anaheim had three hat tricks (two by Selanne, one by **Garry Valk**). The Ducks had only one in their history before the arrival of Selanne (Terry Yake - Oct. 19, 1993 @ NYR)... Selanne's offensive numbers with Anaheim were 16-20=36 points in 28 appearances (1.29 points-per-game)...Paul Kariya's offensive numbers were 21-23=44 points in 29 appearances (1.52 points-per-game) after Selanne joined Anaheim...The Mighty Ducks were one of only three NHL clubs (also Colorado and Pittsburgh) to finish with two players in the top eight scoring leaders in 1995-96 (Paul Kariya, 50-58=108 pts. and Teemu Selanne, 40-68=108 pts.)... Anaheim was one of only eight teams in the NHL with a .900-plus team save percentage (.906) and a team goals-against-average (GAA) below 3.00 (2.97)…Anaheim finished tied-for-fifth in the league in save percentage and 10th in the league in GAA… Anaheim goaltending combined for a .952 save percentage and 2.08 GAA in 19 games from March 1 to the end of the season… Individually, **Guy Hebert** finished fourth in the league in save percentage with .914 on the season and tied-for-fifth in the league in shutouts with four (three of which came in his last 14 games).

The Anaheim Ducks have recorded 444 sellouts at Honda Center since their inaugural NHL season in 1993-94. Anaheim has increased its attendance each of the last four seasons, seeing a 20.9% increase from 2021-22 to 2024-25, including 92.1% capacity and 11 sellouts last season, the most in a season since 2018-19. The Ducks recorded their 400th all-time shutout in the club's 2018-19 home opener Oct. 8, 2018 vs. Detroit. Anaheim hosted its largest crowd in club history in 2012-13, welcoming 17,610 fans for a 4-2 victory over Chicago on March 20, 2013. The Ducks had a club-record 78-game (63 regular season, 15 playoff) sellout streak from 2006-08, including all 40 home games in 2007-08, it was just the second time a Southern California NHL team had sold out a full (non-lockout) regular season. The Ducks set franchise attendance records for sellouts (40), average attendance (17,195) and percent capacity (100.12%) in 2007-08. Anaheim broke the team record for consecutive regular season sellouts on Feb. 22, 2008 when it surpassed the previous record of 51 straight regular season sellouts set from Dec. 22, 1993-Oct. 20, 1995.

By securing their first Stanley Cup championship in franchise history on June 6, 2007, the Anaheim Ducks also became the first team from California to win the Stanley Cup. Their appearance in the Final marked just the fifth time since 1926 that a West Coast team competed for the Stanley Cup (also Vancouver (1982 & 1994), Los Angeles (1993) & Anaheim (2003)). The Ducks were the first West Coast team to win the Stanley Cup since the 1925 Victoria Cougars and the first U.S. team to win it since the 1917 Seattle Metropolitans.

The Anaheim Ducks secured the Stanley Cup in just 21 games, posting a 16-5 record. With the 1992 Pittsburgh Penguins, the Ducks were the 5th (tied) fastest run to winning the Stanley Cup in NHL history since the best-of-seven series was implemented in 1987.

The Ducks posted a 12-2 record in games decided by one goal…the club tied the NHL playoff record for the most one-goal victories in one postseason. The 2003 Mighty Ducks of Anaheim had 12 one-goal victories during their Stanley Cup Final run and the 1993 Montreal Canadiens also accomplished this feat as they went on to win the Stanley Cup…in addition, the Ducks were tied for second in lead-changing, game-winning goals that occurred in the third period or overtime.

The 2007 Champions had the largest contingency of players (11) in their first or second NHL year on one Stanley Cup roster. The 1986 Montreal Canadiens are the only team that comes close to the Ducks number of first or second year players on a Stanley Cup winning roster with 10. Below is a list of Ducks that were in their first or second NHL season that played in at least one game with the club during their playoff run: Ilya Bryzgalov, Francois Beauchemin, Ryan Carter, Ryan Getzlaf, Kent Huskins, Chris Kunitz, Drew Miller, Dustin Penner, Corey Perry, Aaron Rome and Ryan Shannon.

He has called 1,554 regular-season Ducks games since joining the club prior to the 2002-03 season, along with numerous NHL games for NBC Sports Network over his career. Ahlers called his 1,000th regular-season Ducks game on Nov. 12, 2017 vs. Tampa Bay.

For each of the past three seasons, Ahlers has handled the play-by-play for Sports USA's national radio coverage of the Stanley Cup Final, as well as numerous Stanley Cup Playoff games for the network.

Each season, Ahlers is a significant contributor to the team's award-winning Ducks S.C.O.R.E. program, an educational initiative that impacts over 25,000 elementary school students. He teaches the students the value of teamwork in sports, in school and in life. Using team-building exercises that relate to hockey, this interactive presentation demonstrates the importance of working effectively with others to achieve success in all endeavors. Ahlers can also be seen and heard at many of the Ducks community relations events, where he works as host and emcee.

Prior to joining the Ducks, Ahlers served as radio play-by-play voice for the Tampa Bay Lightning from 1999-02. A 37-year broadcast veteran with 2,801 games behind the microphone (including 1,803 in the NHL), he also worked as host of the Lightning's television pre-game show and Lightning Weekly, a magazine format program aired on Florida's Sunshine Television Network.

Prior to his stint with Tampa Bay, Ahlers spent five seasons as the television and radio voice of the International Hockey League's Detroit Vipers. During that time, he also worked as broadcaster of the IHL Game of the Week and Turner Cup Finals for Fox Sports Net. While with the Vipers he received numerous awards, including the IHL Broadcaster of the Year award in 1995 and Emmys for Best Sports Broadcasts in 1995 and 1998.
